Dear Parent/Carer,

## **Senior Phase (S4 – 6) Information Evening for Parents and Learners**

We would like to invite you to a short meeting for parents/carers of pupils in the Senior Phase here at Knox Academy. As we are all aware, S4, 5 and 6 are important and sometimes stressful times for pupils and parents as youngsters work towards achieving their National Qualifications. We hope that this meeting will give you an idea of the supports available in the school and also give you mechanisms to support youngsters at home.

The main purpose of this meeting is to make parents aware of the expectations of the school on our pupils and share the details of our new Tracking, Monitoring and Reporting system. We would also like to share with parents/carers information about changes to the national assessment system, as a result of Curriculum for Excellence. All of this will help parents/carers feel more informed about the year ahead and be in a better position to support their youngster.

The meeting will be held in the school assembly hall on **Thursday 1<sup>st</sup> September from 7-8pm**. There will be an opportunity to hear from pupils, senior staff and outside supporting bodies (Scholar) to allow parents/carers to support their youngster through the year ahead.

We do hope you will be able to join us and will find the evening beneficial.

Yours faithfully,

S Ingham
